

Organisations offering Enneagram workshops/courses	Yes	Not in full	No
<b>*Is this organisation accredited with/licensed by a recognised Enneagram School (as listed on this site) such as The Narrative Enneagram, Enneagram Institute?</b>			
<b>*Is this organisation accredited by the International Enneagram Association (IEA)?</b>			
Is this organisation also accredited or approved by a professional body relevant to the area of work concerned e.g. coaching, counselling, spiritual direction, learning and development?			
Where does your interest lie? Does the organisation really offer the kind of workshop/course you are looking for?			
What outcomes do you need? For example, do they offer certificates of attendance, or if applicable, the level of qualification you're looking for?			
Can you be sure this organisation is not just self-accredited to run its own Enneagram courses – without external validation or wider recognition? (see note below)			
Who is involved in the design and delivery of this organisation's Enneagram workshops, courses or 1:1 services? Do these individuals meet the Enneagram Alive quality checklist for professionals?			
Are there testimonials available from satisfied clients?			
Does the organisation operate within a Code of Ethics?			
Does the organisation have a policy framework which includes Privacy, Dignity, Complaints Procedure, Refund policy etc. ?			

Notes:

- **We suggest one or more of the points marked with an asterisk are essential.**
- While ticking 'yes' to all the remaining criteria is ideal, it is also important to consider what really matters to you.
- **Self-accreditation:** Any organisation can accredit their own students and courses, using their own criteria. This organisation may be poor quality! Or may be excellent if it meets our other check-list criteria.
